DISCIPLESHIP

HANDBOOK

**TRANSFORMING
LIVES THAT
TRANSFORM
THE WORLD.**

When Jesus gave the commission to the disciples He told them “go ye therefore and make disciples.”

Discipleship is at the core of God’s will for us here on earth. In Matthew 28, Jesus charges us to make disciples, baptize them and teach them to observe all of His commands. Discipleship is more than just instruction, it’s a demonstration. It’s a demonstration on how to walk as a follower of Christ. That is why we believe so strongly in mentor relationships. These relationships not only provide instruction but a demonstration of how to walk as a follower of Christ. These mentored relationships grow both the mentor and the mentee! Everyone grows!

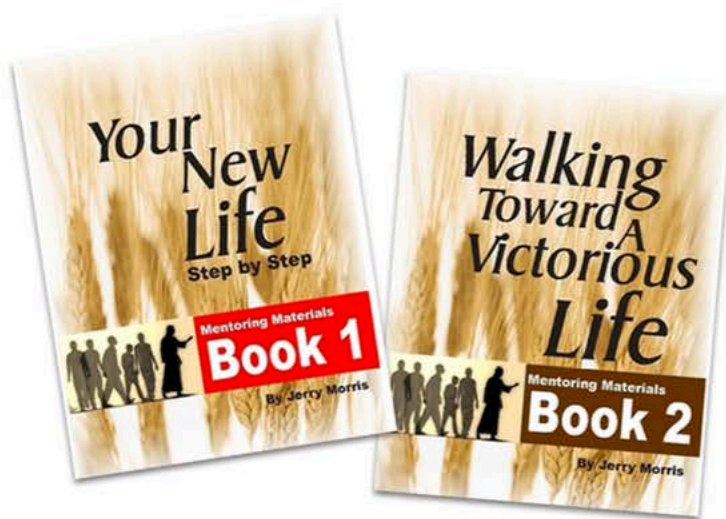

Every believer is charged with making disciples who can then make disciples themselves. God’s intention is multiplication.

Discipleship is about growing up and maturing as a follower of Christ and finding your place in the body of Christ. Though we use books and materials to help guide you in the process, discipleship is about our hearts and character being transformed through an intimate relationship with the Father, by the Holy Spirit, through the Lord Jesus Christ.

Let the journey begin.

HOW IT WORKS

The Discipleship Process is designed to be walked through with a mentor. The goal of this process is growing in mature christian living, strengthening your devotion and increasing your understanding of the christian faith and life. You will work through and complete a series of two workbooks which have daily assignments. As you complete the daily work you will have meetings with your mentor.

To start the Discipleship Process, first find a mentor. This relationship should be as organic as absolutely possible. You want to connect with someone who has some experience beyond your experience. You want a mentor to whom you give permission to hold you accountable. If at any time you need help in finding a mentor, feel free to contact church leadership and we will help you connect with someone.

WAYS TO FIND A MENTOR

Here are some ways to organically build relationships to connect with a mentor.

- 1** Attend our weekly meetings like ManChurch, Awaken and Sunday services. This will give you access to people who are like-minded and desire to grow in the scriptures.
- 2** Join a Power Team. We have found that when you serve alongside others, relationships are built and it's a great place to find someone to mentor you.
- 3** Join a Life Group. Life Groups are the heartbeat of our church. It is where relationships are built and life is lived.
